Single lane closure on WIS 29 in Brown County rescheduled

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing that tonight's planned single lane closure of eastbound WIS 29, between County FF and Packerland Drive, has been cancelled due to weather. It is now scheduled for 8 a.m. Thursday, November 29 to 6 a.m. Sunday, December 2. Drivers should expect significant travel delays during peak traffic times and consider seeking alternate routes.

This lane closure is due to ongoing work on the Duck Creek Bridge.

All lane restrictions are weather dependent and subject to change.
